ISS Urgent: Regarding your F-1 status

Greetings, Cennuo.

It has come to our attention that your SEVIS record and lawful F-1 status in the United States have been terminated. **If you are currently employed, you are advised to cease employment immediately.** The International Student Services office has no further information and cannot assist you in this matter.

We strongly recommend that you discuss your options with a licensed legal professional whose area of practice is in the field of immigration, and specifically student visa matters. You can locate an immigration attorney on the [AILA Immigration Lawyer Referral Service \(ailalawyer.com\)](https://ailalawyer.com).

Kindest regards,

Christine K. Collins
